

Hi Frank,

Here are the stations I heard from home here in New Bedford. They are as follows:

KB1QCQ - Sandwich Field site

K1WCC - Falmouth Field Site

KX1C - Falmouth EOC

W1HXN-Brian-Mashpee

WM1N-Alan-Mashpee

WA1EMA-Acushnet EOC

KB1IHU-Dukes County EOC

All were full quieting/loud and clear at my station which is a Kenwood TS-2000 and a Diamond Vertical Dual-Band antenna. Could not hear Nantucket at all for this drill as sometimes I can hear the stations there.

Thanks for conducting another excellent ARES exercise.
